

EXALTED RULER'S MESSAGE

Greetings Elks Family,

We have officially hit the 6 month mark, The lodge has been painted, we have a new roof, key locks are here and will be installed soon. Our members are still filling the place up, which is great to see. Happy members make a happy Lodge and a happy lodge makes happy members. But, please remember it takes people stepping up to help. Don't wait to be asked, just lend a hand. The few volunteers we have are being burnt out. They also pay their dues just like you do. So please do your part!

Good news! We have hired a bookkeeper, Trina Emerson, and a cook, Richard Williams. We need volunteer bartenders for lunches. Interested, contact me. Welcome aboard. Thanks to the few that have kept the dinners going. Elroy and Jeannie. You two are rock stars!

We had our 3rd Annual Golf Tournament which was a great success. No one could stop talking about how great it was. No doubt it will be even better in the years to come. Huge thank you to Julianne and Jen for heading that committee. We will have a total raised, to share with you, once it is available.

Crystal is still selling calendars last I heard. We only have about 30 to go before they are all sold out. Please find Crystal and buy one from her. They are only \$10.00, best part you can win money every day for an entire year!

Again, we NEED volunteers! I know I mentioned it above, but I really want to hit it home. You do not need to live here to volunteer, or even do the same thing every time just showing up to lend a hand makes a HUGE difference. Bartending, dishes, cooking, serving food, setting up tables for bingo or dropping them to put away. All these things are what keep our Lodge open. But without volunteers the events and activities can't and won't happen. Please take time out of your day to help your Lodge.

Elks care and Elks share and as long as we always keep that in the front of our minds and hearts nothing will stop us.

Cheers to the next two months of continuing growth please come down and enjoy YOUR Sequim Elks Lodge 2642!

Cheers,

Klaiton Waldron, Exalted Ruler

TravElks

Fellow Elks.

Hello fellow Elk RVers. As we enter the Fall season, this is the time of year when many recreational vehicle owners think about putting their vehicle in winter storage or plan for their "snowbird" winter trip to the Southern states. But

there are still a few activities that we, TravElks, look forward to in the months of October through December.

October 19-22, 2023 -- Bremerton Elks RV Park. Scouts: Charlie and Sherry Swier Johnson This is always a fun trip to see our Elk friends in Bremerton. The lodge has graciously allowed us to use their recreation building, located in the camping area, for our activities. Additionally there is a lot to see in Bremerton and the nearby Poulsbo area. There are still a couple RV sites available if you'd like to join us.

Work continues on our Sequim Elks RV Recreation room, located in the Lodge's outbuilding. Hopefully, we can make this room appealing to traveling Elks that are visiting, as a place to relax, watch TV, read a book or use as a small gathering place for a group activity.

On November 20-21, 2023, 10 AM - 2 PM The TravElks holiday decoration committee will join with the Lodge's decoration committee and begin to transform the Elk's Lodge into a winter wonderland. Our committee is small but mighty and could always use an extra hand or two as they pull the many Christmas decoration out of storage and get our building festive for December.

As a club, I'm asking for potential campout scouts to come forward and look for potential sites for campouts in 2024. This makes it great for planning our activities in the future and also helps as a recruitment tool for those wanting to know what the TravElks are going to be doing

in 2024. So, please think about a trip you'd like to do next year, team up with a fellow camper and submit a proposal for an RV trip. See you membership book for scout guidelines.

Finally our Christmas party will be at the Lodge on December 2nd from 4-7 PM. Cyndee Rayburn Smith will have details as the date approaches.

Safe travels,

Ken Wahl,

Wagon Master

Greetings all,

I am coordinating this year's **Elks Americanism Essay Contest**.

The contest is an opportunity for 5th, 6th, 7th, and 8th grade Sequim students to thoughtfully write about American values and appreciate

the blessings and responsibilities of citizenship. This year's theme is "**What the Bill of Rights Means to Me.**"

There is prize money available as well as local media recognition and a ceremony at our Elks Lodge here in Sequim.

I have recently reached out to the Sequim schools and introduced myself and am learning the best way to get the necessary packet of documents to the right folks, particularly the right teachers. I will provide written packets once I know who/where to get them to. Once that is done, I will periodically follow up until this year's contest is completed.

If you know of any student that may be interested, let me know and I will make sure that they receive a packet of documents detailing the contest.

So, let's us challenge the young, inquisitive minds of Sequim to explore American Values and compete in this year's event.

Dwain Sparrowk, Chairman

**COATS
FOR KIDS**
EST. 1996

We are off and running into fall. Coats for Kids & Community has been very busy. This year with the state of the economy, we have been helping out the community considerably more. We have handed out over 200 clothing gift cards to all the schools in Clallam County. This is a record for us and we are grateful to everyone that donates to this community cause in order to give a helping hand to our community that needs it.

On September 28 - Oct 1st we were out in the community at APPLESTOCK. This event is about our community once again coming together to help out local charities, such as Salvation Army, local families in need and Coats For Kids & Community. It is held at Williams Manor on Sequim Dungeness Way. The weekend was filled with crafts, outdoor games, fresh pressed apple cider, s'mores, chili dogs and music all weekend long. All by donation. If you didn't attend, put it on your next years to do list.

We participated in the VETERAN STAND DOWN on October 5th, and it was a huge success. We were able to help many veterans with reusable grocery bags, dental supplies provided by Jamestown Dental Clinic, personal health care items donated by Quality Inn of Sequim, water donated by Costco and our clothing gift cards. We are extremely honored to help this community.

Once again, because of your generous continued donations we are able to fill this need in our community.

If you would like to make a donation, please contact Heidi Albrecht, Sue Rockett, Cheryl Stipe or Karen Lewis.

Thank you from the community!!!

Introducing our new Cook

My name is Richard Williams, but you can call me Rich. I came to Sequim at the start of the 70's when my family moved here from California.

I have two daughters and 3 grandchildren. I helped build the 101 Diner and I have cooked for many restaurants in Sequim over the course of my career.

My family has been a part of our community for many years. My father was a Sequim Police Officer and later in his life was President of the Lions Club. He also was involved with the Boy's and Girl's Club. He and I manned their food cart at the Clallam County Fair as well as a few clam chowder cook-offs at Carrie Blake Park.

My mother, who we unfortunately lost this summer, worked at Olympic Rehabilitation. After many years she retired and pursued her love of Bobb Ross and his style of painting. She even took classes in California to become certified in his technique. After that she taught painting classes in Sequim as well as private classes in her home.

I look forward to carrying on my family's legacy of being involved in our community and cooking some great food for all of you.

Richard Williams, Cook

Washington State Elks Therapy Program for Children, Inc. State Major Project since 1954

"Our Kids"

The Washington Elks Therapy Program, established in 1954, provides essential home-based therapy for children with developmental or physical disabilities.

But what does this mean in real terms? For families like ours, it means the world.

Our daughter, Jiana, diagnosed with hemimegalencephaly, faced intense seizures from birth. Despite numerous treatments, relief seemed distant until we opted for epilepsy surgery at Seattle Children's Hospital. Post-surgery, Jiana became seizure-free, but her recovery journey had just begun.

This is where the Elks Therapy Program stepped in, playing a pivotal role in Jiana's rehabilitation. While she still faces challenges, such as not being able to walk or stand independently, the therapy has enabled her to roll, sit on her own, and even feed herself with her dominant arm. Every day, we see progress, small victories that give us hope and strength.

In sharing our story, we hope to shed light on the invaluable work of the Elks Therapy Program and the profound impact it has on families like ours. It's a beacon of hope in our often-tumultuous medical journey, reminding us that with the right support, every child can reach their potential.

Thank You Elk Members, and Friends.

From our Chaplain . . .

Fall has arrived with a definite change in the weather. I hope everyone is adapting. We have a few members who are in need of some healing thoughts and prayers. Of course, Gene Mattson still continues with dialysis and is still kicking it! Cheryl Stipe's son broke his ankle. Judy Chilson had hip replacement surgery earlier this month, and is recovering nicely. Staci Cawyer fell and broke her hip recently. She underwent surgery wherein they put her back together with 3 pins. She was up and walked into the Lodge the next day. She is doing remarkably well, and is on the mend. It seems Covid has reared its ugly head again. Charlie and Sherry Swier Johnson have tested positive within the last couple of days. My step-mother, Virginia Rayburn, who is 93 years old, has been diagnosed with covid and has been fighting it for over a week now. There are a number of Elks, and family members exposed to Covid in the past few weeks, so let's keep everyone in our prayers.

Everyone should believe in something. I believe I should be on the drinking margarites.

The **Christmas Holiday Bazaar** will be held on Saturday, November 25th from 9 am to 3 pm at the Sequim Elks Lodge. This Bazaar is a wonderful event for all those participating and for those who come to do their holiday gift shopping for their family and friends.

We are seeking volunteers to coordinate and help with this holiday event! Set-up is Friday afternoon. If interested, please contact Karen Lewis at 360-460-0380 or Judy Chilson at 360-460-9336.

If you've been in or through our patio, you should have noticed the **Veterans Honor Wall**. We are offering you a chance to honor a veteran close to your heart, by purchasing a homemade, hand painted star. The cost is \$10 per star and a portion of that goes to our

Veterans Stars

Veterans program. The honored veteran does not have to be an Elk. Information sheets are available in the Lounge. We need to have their name, branch and dates of service. If you would like something special on them, like Vietnam, Desert Storm, etc., we will try to accommodate you. Space is limited so we can not guarantee what will fit in the 3 lines. Please give the completed form to the bartender. It takes about 2 weeks to make and mount. Questions: **Karen Lewis 360-460-0380**.
