Exalted Rulers Message

Dear Members, Welcome to a new Lodge year, thank you for having the faith and confidence in me to elect me as your new Exalted Ruler. I hope this year goes as smoothly and profitably as our past years.

We have many new events planned for this year and some still in the planning stage, I hope to see many of you volunteer to help where ever it is needed. Without your support we cannot make things happen.

As the new Elk year begins we will continue with additional improvements to our Lodge. Come down and see what we have done so far and we can always use suggestions. We have many new Officers eager to meet you all and listen to your ideas, as well as new Committee Members who could use the help of our more experienced members, to continue the programs of Elkdom in our community. If you would like to get involved you can speak to any Officer or Committee Chairperson (posted on the board in the Hospitality Room) or by attending a Lodge Meeting.

I want to thank all of our Officers for their continued support. Please give our newest PER, Teddy, a round of applause for a job well done, he is leaving us a smooth running Lodge and we can all feel pride in what has been accomplished this past year.

I hope we have a Great Year.

Fraternally,
Ed Bilello
Exalted Ruler

**A Message From
Grand Exalted Ruler
Michael T. Luhr**

**“Working Together to
Make a Difference”**

Get your house in order now to avoid future stress ...

We avoid unwelcome future surprises by getting our affairs in order now. Set a goal to accomplish the following tasks before July 1 by spreading the workload out between your Board of Directors (BOD) members. This ensures that nobody becomes overwhelmed.

First, review your Lodge Bylaws to learn whether any items are in need of attention. Next, review your House Rules to ensure that they are written to protect your Lodge from a business perspective and clearly define the rules that Members are required to follow.

While keeping in mind that all states have their own unique corporate laws, ask the following questions:

- Is your corporation BOD required to be listed on all Lodge licenses?
- Have you renewed your corporation license and updated BOD member information?
- Is your “Registered Agent” listed correctly?

You should also ask the following questions in regard to Lodge property insurance:

- Have Lodge Trustees reviewed your coverage or is it a perfunctory exercise?
- When was the last time your Lodge conducted a local appraisal to determine the value of your property?
- Is the BOD in agreement with the amount of coverage? Is there a savings for less? Do not let others make your coverage decisions for your Lodge.

Answering these questions effectively will ensure that you have adequate insurance coverage if a loss were to occur.

Take time to update your list of fixed assets, enter the information into your accounting program, and check it against your accountant-supplied depreciation schedule. This should always be a priority. Review all job descriptions for every employee, whether they be in your office, dining room, club, or any other entity that falls under the Lodge umbrella.

While this list may seem lengthy, if every BOD member does their part, it won't be difficult to complete. Diligence in these matters will also ensure that you're on sound footing for the new Lodge year while preventing problems that could take far more time to overcome.

Work hard, pay attention to details, and follow through. By **“Working Together to Make a Difference,”** BOD members reinforce your community's trust and Member confidence in your Lodge. Barb and I wish you the best of fortune for the 2019-2020 Lodge year.

GRAND LODGE ACTIVITIES COMMITTEE

By **JAMES MASON**
Committee Member

I would like to thank the Members and Lodges who contributed to the **Disaster Relief Fund** at the Grand Secretary's office in Chicago. The funds are distributed to areas where they are needed.

Last year was similar to past years. Tornadoes destroyed homes and businesses throughout the country. A magnitude 7.0 earthquake rattled Anchorage, AK. Hurricanes hit Florida and the East Coast. A typhoon passed through Hawaii on its way to the Philippines.

Wild fires burned nearly two million acres in California. The Camp Fire swept through the community of Paradise before many residents could be evacuated. The fire killed 86 people and destroyed 18,804 buildings, including Paradise, CA Elks Lodge No. 2026 and all its property.

The need for assistance continues to grow. We encourage all Elks and Lodges to contribute to the **Disaster Relief Fund** extend help wherever the need arises. Please keep in mind the Elks motto, "**Elks Care – Elks Share**" and make Your Lodge and Our Organization well known in our communities.
