

Who Are the Breezys?

The Breezy organization (club) was founded in the spirit of promoting fellowship, friendship and enjoyable recreation. We also support the worthy causes of the ONTARIO B. P. O. E. #1419. We are a non-profit organization.

Throughout the year we have camping rallies at various locations. We mostly camp in Southern California, but have gone to Arizona, Nevada, and New Mexico. At the rallies we have fun playing games, having potlucks and enjoy visiting with the members of our group. At one rally we even got boat rides around the lake.

Side trips to interesting places can be scheduled so that everyone can enjoy new experiences at the assorted locations. If close to a lodge, we often visit them for dinner and drinks. When possible, we stay at Elks Lodges such as Vista (where we enjoy steak night) and Oceano.

Our meetings are held on the third Tuesday (Taco Tuesday) of the month at 7:00. You can join us and learn more about our outings and members, or call Bob Nastase at (909) 731-9166.
